

WHY JOIN THE GEO BOARD OF DIRECTORS?

Joining the Board of the Global Equity Organization (GEO) provides a unique set of benefits that cater to various stakeholders, including providers, sponsors, issuers, academics, and conference/chapter meeting attendees.

CONTRIBUTING TO A POSITIVE IMPACT

Board members have the chance to contribute to initiatives that positively impact the industry and further GEO's mission to advance global understanding of equity compensation.

C-SUITE LEARNING OPPORTUNITIES

Board membership offers a chance to learn firsthand about the intricacies of working within a board structure. This includes understanding decision-making processes, governance frameworks, and effective collaboration with diverse stakeholders.

IMPROVE FINANCIAL FLUENCY AND OVERSIGHT

Board members gain valuable insights into the financials of a not-for-profit organization with an international scope. This experience can enhance financial literacy providing a broader understanding of fiduciary responsibility.

BETTER UNDERSTANDING OF GOVERNANCE

Board members work within a clear structure that enhances the understanding of the relevance of good governance.

ENHANCED PRESENTATION SKILLS

Serving on the board often involves presenting to larger audiences, whether at conferences, meetings, or other events. This exposure can help individuals to improve their presentation skills and effectively communicate complex ideas to diverse audiences.

GLOBAL NETWORKING

Board members at GEO can exponentially expand their international network by connecting with professionals from diverse backgrounds, including providers, sponsors, issuers, academics, and conference attendees. Serving on the international Board and acting as a GEO ambassador provides instant connections and a broad network within and beyond the organization.

LEADERSHIP IN INITIATIVES

Board members play a crucial role in leading initiatives that drive the organization's growth. This includes strategies to increase membership, develop educational programs, and set up chapters. This leadership experience is valuable for those interested in actively contributing to the organization's success.

PERSONAL AND PROFESSIONAL GROWTH

Participation on the board fosters personal and professional growth. The combination of leadership experience, global networking, and involvement in impactful initiatives contributes to a well-rounded and fulfilling professional journey.

INTERESTED IN BECOMING A BOARD MEMBER?

The self-nomination window is open **1 – 15 May**. All applications should be made via [GEO's website](#).

Please reach out to GEO's Chair of the GEO Board, Chair of the Governance and Selections Committee, or another **current Board Member** for more details.
