It is the responsibility of local Chapter Leaders to communicate and collaborate with GEO in order to achieve mutual success.

# CHAPTER SPONSORSHIP

- **Sponsors and Provider speakers at Chapter events must be members of GEO.**
- Chapter Leaders may secure ad-hoc financial or logistical support to cover individual meetings from meeting hosts, presenters or other local sources.
- Chapter Leaders may form a relationship with local Providers to sponsor the Chapter. While providing financial or logistical support, the sponsoring Service Provider receives marketing consideration and recognition at local events.
- If you're ready to secure sponsorship for your chapter, reach out to us for a **sponsorship fee template**. Sponsorship fees are remitted directly to GEO.
- A portion of sponsorship revenue is reserved for use by the local Chapter.
- Some sponsors may request bundled pricing, contact [Kate Scorer](#) to discuss and arrange this.

GEO, at its discretion, may provide funding for recently established Chapters, but securing adequate levels of financial support is primarily the responsibility of the local Chapter Leadership Team.

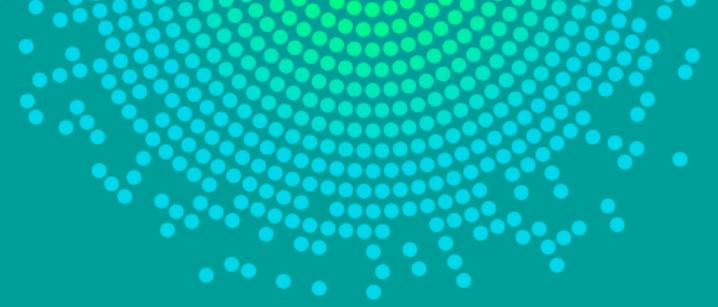

# CHAPTER EVENTS

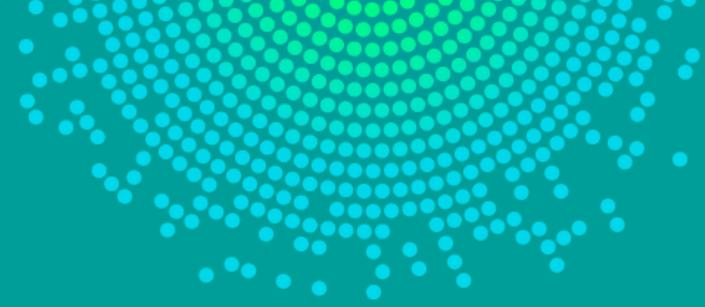

How to plan, execute and measure successful events

# HOSTING CHAPTER EVENTS

- **Frequency** – 2-3 events annually
- **Type of event** – All educational and social events are encouraged! Webcasts should feature local content. Global content should be made available to the whole GEO community via GEO's webcast program
- **Scheduling** – Check with the GEO team to ensure no conflicts with central events, also the industry events calendar via Sharepoint
- **Lead time** – GEO Must be informed a minimum of 8 weeks prior to the event to set up assets and registration to promote your event
- **Board Liaison** - Leverage them when planning events (invitation content review, request help drive attendance and non-membership outreach)
- **Sponsorship** - Rotate sponsorship or provide group sponsorships
- **Location** - Try to host in a neutral location (issuer or external event site). Rotate locations
- **Presentation topics** - Consider multiple topics to attract attendees. Provide good content descriptions to pique interest. Feature regional content **Only GEO Member Providers are permitted to speak at Chapter events**
- **Continuing education credits** – Notify GEO before including CEP and CPE (US only) credits - CPE requires set procedures.

# WHO CAN ATTEND?

**Non-member Issuers** may attend **two meetings at no cost** without registering for GEO membership. This approach provides local Chapters the opportunity to grow by introducing any non-member Issuers to GEO's member offerings at the event.

- **Service Providers** are encouraged to be registered GEO members to attend local Chapter meetings.

## SUGGESTED CHARGES

ATTENDEE TYPE	RECOMMENDED CHARGE
Members	No charge
Non-member Providers	Two free events, then <b>\$85*</b>

- **The Chapter Leadership Team** should ensure that accurate records of attendees are shared with GEO via the template Excel spreadsheet provided.
- These requirements may be waived in the event of meetings held jointly with similar local professional organizations (e.g., CEP, NASPP, ProShare).

**\*Please contact the GEO team before charging for event attendance so that we can check whether VAT or other charges may apply in the region.**

# TRACKING ATTENDANCE

Mary Potter will send a final registration list before the meeting. Use this list to track attendance

- Ensure all attendees are signed in. Manually add walk-in attendees.
- Please email a final spreadsheet back to GEO to update our attendee records
- GEO will reach out to non-members after the event to provide more information about the benefits of membership.

- The presentation materials must be reviewed by a CPA qualified person at least one week prior to the meeting
  - There must be at least three engagement questions
  - All attendees requiring CPE credit must use sign-in sheets with time in and out and their attendance must be monitored for excessive breaks, etc.
  - Attendee check-in sheets and CPE sign-in/out sheets must be shared with Mary Potter

This is updated regularly so check for updates just before your event. Remember: Add in any presenter company logos, copyrights, or disclaimers as needed.

**Save time for draws** – Prize draws can be held at end of event

- **Gifts/giveaways** – Encourage sponsors and/or speakers to provide company branded small gifts (e.g., pens, company goods, etc.)
- **Conference fee draws** – Confirm with the GEO team if a complimentary conference registration can be given away. Only issuers are eligible for this draw to encourage GEO participation and membership

**Get feedback** – Liaise with the GEO team to build a survey, include polls at your event or print feedback forms. Share the learnings with the GEO team so that we can improve future events. [Contact Mary](#) for further details.
